

Elementary Music Teacher

Mary of Lourdes School- Little Falls, MN

Full-Time (1.0 FTE)

Job Start Date: 2023-24 School Year

Mary of Lourdes is a Catholic Pre-K through 8th-grade school housed on two separate campuses. Pre-K through 4 is one building attached to St. Mary's Church and 5-8 are in the Middle School near Our Lady of Lourdes Church. While we're a Catholic school, we welcome faculty, staff, students, and families of all faith backgrounds. You will work in an environment where children are eager to learn and parents see themselves as partners in their child's education. Mary of Lourdes is Christ centered and dedicated to excellence in education by developing the whole person, integrating our Catholic faith with daily life. It is not just about academics, it's about developing the whole self; their character, confidence, potential, God-given talents, and faith.

Job Summary:

As a teacher at Mary of Lourdes, you must have a clear love of children and a desire to help them discover their God-given gifts. A teacher is responsible for creating and delivering engaging lessons to diverse groups of students at all levels and promoting enthusiasm for learning and subjects. In addition, you will be responsible for building positive relationships and working collaboratively with students, parents, and staff members to foster a positive experience for the entire learning community.

Qualifications:

- A current Minnesota Teaching License is preferred not required.
- A Bachelor's degree in Elementary Education or in the area of Music.
- Must have strong classroom management skills and maintain classroom order.
- Effective oral and written communication skills.
- Must collaborate with other teachers to design and coordinate assessments and utilize data to target student needs.
- Must have experience with curriculum and assessment design and implement best practice teaching and learning strategies.
- Must adhere to national curriculum standards and collect and report on correct and detailed records of student performance.
- Ability to use current technology as an instructional tool.
